Hi BID Friends!

We are looking forward to seeing you and your Safety Team members this Wednesday evening for our Women & Safety fireside chat with City Attorney. (Flyer attached)
The City Attorney's office is requesting the list of names of BID staff attending this event for their review.

Please provide me FULL NAMES of each of your **safety and staff** that will be attending the event **by end of day today.**

We ask that you plan to have your safety team members arrive by 6pm on Wednesday evening.

Please let me know if you have further questions.....I know I received attendance confirmation from most of you, but I still need specific full names of your safety officers.

Thanks so much and we look forward to seeing you Wednesday!
